## **Mayor' s Christmas Greeting**

Hard to believe another year has come and gone. Although it has been a trying year, there appears to be some light at the end of the tunnel. While there has been much unrest globally, Covid 19 seems to be somewhat under control and the flu season has peaked. Many of us are able to reunite with family and friends this holiday season but, we still need to remain vigilant.

I would like to thank the community, as a whole for doing their part in keeping each other safe and in coming together to support one another. We were able to enjoy our first live community Christmas concert in quite sometime a few weeks back, and it was so uplifting to see people come together, laughing, singing, and participating in the joy of the Christmas spirit.

The holidays are a time of year when many people celebrate with family and friends but, there are those who are required to work throughout this time. I would like to offer a special thank you to them, for their commitment in keeping our community safe.

A special thank you to our volunteers, our fire service, our various committees, and church volunteers who give their time not only during the holiday season but throughout the year. We are fortunate to live in a wonderful, spirited community where the joy of giving and helping one another is apparent.

Christmas is also a time to reflect and think of those less fortunate. To be kind to one another, to offer a smile, a greeting and to spread the joy of the Holiday season. On behalf of council, staff, and our families I would like wish everyone a Merry Christmas, Happy Holidays and all the best for the 2023.

*Bryan Barker*

Mayor, Township of Billings
