Dear Ms. Mills:

Re: Set Fine Application – Provincial Offences Act
Part I -Township of Billings, Manitoulin District

Thank you for your letter dated November 3, 2022 directed to The Ministry of the Attorney General, Crown Law Office-Criminal, regarding set fines for By-Law 2022-49.

I have had an opportunity to consider your request. For the reasons that follow, I have set appropriate amounts for the fines, which do not necessarily accord with the amounts you requested.

A set fine is a sentencing process and must consider the circumstances of the offence, the need for deterrence and must also consider proportionality (minor versus serious offences). Early guilty pleas are also an important consideration.

The set fine regime is meant to encourage out of court settlements, while also considering the above principles and must also consider similar sentences for similar offences in the region.

The setting of the fines does not constitute my approval of the short form of wording used to describe the offences.
