General Updates/Project Updates/Grant Applications

If you are interested in booking the Kagawong Park Centre or reserving the Pavillion or Riverbend Stage for a private event please contact the township office for pricing and availability!

The Old Mill Road Waterline Project is in transition from the engineering and design phase to the construction phase. A tender for general contracting was released in February and the successful bidder, as awarded by Council, is Denis Gratton Construction from Sudbury, ON. This project is partially funded through the Investing in Canada Infrastructure Program (ICIP) - Green Stream with construction starting late summer.

The new bulk water system is located at the Water Treatment Plant – 75 Beach Street, Kagawong and includes an option for 2" and ¾" fill spigot. Users of the 2" spigot are reminded to bring a clean two-inch cam-lock female fitting to connect to the water filling station. Billings property owners/tenants can purchase a key to access the 2" spigot at the township office during office hours.

The Fire Hall has been demolished and Quinan Construction will begin to rebuild this month. The Kagawong Fitness Centre remains closed for the time being. Once we are able to safely re-open, a notification will be sent to all previous membership holders, and will be advertised on the township website and Facebook page.

Committee Updates

The Parks, Recreation and Wellness Committee is hosting an Easter Egg Hunt Event on Saturday April 8th, 2023 at 11am outside in the vicinity of the Kagawong Park Centre. Bring your baskets and don't forget to take a photo with the Easter Bunny!
