RE: Joint Funding application for the Gore Bay Memorial Arena

Dear Kathy:

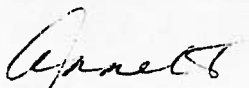

On Oct. 2, 2019 the council for the Town of Gore Bay passed resolution # 14696 to apply for the grant Investing in Canada Infrastructure Program: Community Culture and Recreational Stream for the purpose of renovating the Gore Bay Memorial Arena.

The Gore Bay council would like to discuss the possibility of submitting a joint application for the funding with your municipality. The joint application would require cost sharing of the estimated costs of \$402,000 plus engineering and a potential roof upgrade. The applicant share of this cost is 26.67%. If the 26.67% were split between the four municipalities the cost would be 6.67% per municipality. The resulting cost to each municipality would be approximately \$26,803.35 plus any additional engineering costs.

The deadline for the funding application is Nov. 12, 2019. Therefore, the council of Gore Bay respectfully requests that your council provide a decision regarding the joint application no later than **Friday, Oct. 25**. This will provide us with enough time to complete our application and submit it before the Nov. 12, 2019 deadline. A copy of the preliminary engineer's report has been included for your reference.

If you have any further questions, please do not hesitate to contact our office. I look forward to your favourable reply.

Sincerely,

Annette Clarke, AMCT
CAO/ Clerk-Treasurer
