Cost Recovery Options for the Old Mill Road Waterline Project
Tuesday December 12, 2023 at 7:00 p.m.
Park Centre – 39 Henry Drive, Kagawong

In 2022, the Township of Billings approved the removal and replacement of the Old Mill Watermain within the right-of-way of Old Mill Road for approximately 850 meters. The watermain is part of the Kagawong distribution system and the project serves approximately 20 properties.

The project was approved under the Investing in Canada Infrastructure Program (ICIP) - Green Stream funding, which covered 73.33% of the project, with the remaining portion being municipal and eligible for capital cost recovery.

The total costs for the project are: \$1,684,855.76 (excluding HST)
The portion of the project funded by ICIP is: \$1,235,504.72
The portion of the project not funded by ICIP is: \$449,351.04
The portion of the project to be excluded from cost recovery: \$241,353.67
The portion of the project to be recovered: \$207,997.37

Please take **NOTICE** that the Council of the Corporation of the Township of Billings will be having a Special Council Meeting to discuss cost recovery options including consideration of a Capital Cost Recovery By-Law under the fees and charges provisions of Section 391 of the Municipal Act.

As a property owner on the Kagawong distribution system this decision may have a direct financial impact on your property, and you are encouraged to attend. Alternatively, you can observe the meeting in progress over the zoom platform (*Please test your computer prior to the meeting, staff is unable to assist once the meeting has started*)
