The Bells of Peace

To mark centennial of the end of World War 1, the solemn sound of church bells will ring out in communities across Canada, at the setting of the sun on November 11, 2018

The Church of St. John in Kagawong will participate in this program known as *The Bells of Peace*, and the church bell will ring 100 times commencing at approximately 5:00 pm.

This symbolic event is modelled on the spontaneous ringing of church bells throughout England when peace was announced in 1918.
