\* For store hours, please view business websites and/or Facebook pages, or call. Likewise for COVID-related info. Generally speaking payment methods other than cash are the most COVID-19 hygienic.

\*\*During Ontario Reopening, Stage 3, face masks mandatory for all interior retail spaces. In general, all businesses ask customers to practice good COVID-19 Practices: Wear masks indoors, maintain social distance, follow directional movement directions (signage/stickers), don't handle anything more than absolutely necessary, be courteous to staff and other customers, and be patient. We are literally all in this together.
