

On February 20, 2024, Township of Billings Council established an Ad-Hoc Committee to create a NEW Municipal Owned Water System Policy.

**The Committee will be tasked with:**

- Developing clear procedures on “Capital Projects and Major Upgrades” to the waterlines on the Kagawong Water System;
- Consider if a water system asset management plan and water rate study should be completed and how it could be funded;
- Review the current water levy and consider if the water levy should be broken down into operating and capital projects for the water plant and lift station for transparency;
- Review options for implementing a capital levy that can be used to create a “water capital reserve” to off-set capital costs associated with waterline replacements and upgrades for all benefiting properties.

The Township is looking for four (4) members of the community to serve on the Committee. Members must be a resident of the Township of Billings and own property that currently derives or will derive a benefit in the future from the Kagawong Water System.

It is expected that the committee will meet monthly at the Park Centre or by electronic means at a consistent date and time, during daytime business hours.

If you are interested in this opportunity, please submit your application no later than April 5, 2024 at 4:00pm to [tmills@billingstwp.ca](mailto:tmills@billingstwp.ca).

## Committee Application Form

### NEW Municipal Owned Water System Policy Committee
