General Updates/Project Updates/Grant Applications

The Phase 2 application has been submitted to the FedNor Canada Community Revitalization Fund for improvements to the outdoor rink. These improvements include site preparation, new professional rink boards, new player benches and stairs, new lighting and a cover.

The Phase 2 application has been submitted to the FedNor Canada Tourism Fund for waterfront development at the Aus Hunt Marina. Some work included in the application is new sheet piling and maintenance of the existing boat launch at the Aus Hunt Marina.

Township staff are drafting a targeted RFP for engineering to replace the pedestrian bridge in the Kagawong River Trail. Completing the engineering will allow for rapid implementation of this project when funding becomes available. Please remember the old bridge is unsafe and out of order. The decommissioning of the old bridge will be included in the new bridge proposal.

Township staff are working on an application to replace the Old Mill Road waterline with the announcement of a second intake for the Investing in Canada Infrastructure Program (ICIP).

Township staff are working on a RFQ for the resurfacing of the flywheel mounted at the Old Mill Heritage Centre Parking Lot. The RFQ – Call to Artists will be issued in the Fall of 2021.

Main Street Reconstruction

The Main Street Reconstruction project is coming to a close!

Some finishing work to be completed include:

- Handrails to be installed on all the retaining walls. This work will be completed when the back-ordered materials have arrived hopefully mid-September
- Minor deficiency work/clean-up

Upon project completion, staff will have a debriefing session internally, and with the project engineers. Council may want to consider a dedicated Town Hall de-brief with the public. We will have more infrastructure projects in the future, so a follow-up town hall session, is an opportunity for communication and learning.

Community Energy and Emissions Plan (CEEP)

The final CEEP has been uploaded to the Township Website under the Administration – Climate Change Tab. Some printed copies are available at the Municipal Office.

Kagawong Market

The last market date of the year is Wednesday September 1st, 2021 from 10am – 3pm. This year the Market is located along Henry Drive next to the Pavilion and Cabanas.

We want to thank all Market Volunteers and Vendors who have made this year a HUGE success!
